Recycle your old plaques

If you have “older walnut plaques” that have been replaced because your dog has won new titles that have superseded the old plaques by a newer plaque and you no longer want/need to display them, I can and do “recycle” them. It saves the club several dollars each by doing that.

You can drop them off at the training center any time, simply bag them up – put my name on it and leave them on the desk or somewhere that Lynn will find them. If you are coming to the awards party you could bring them then.

Thanks,
Bruce Davey
