Elections and Job Duties

Elections are around the corner for the kennel club. If you've been thinking about getting more involved but don't know what being on the board entails, here's your chance! Listed below are the jobs and descriptions for the board members. You never know... maybe its simpler than you imagined!!!

- **President** – preside at all meetings (the president does not have to be the show chair, that's just how its worked out in the past)
- **Vice President** – shall have the duties of the president in case of president's absence
- **Secretary** – keep record of all meetings, have charge of all correspondence, notify members of meetings, notify new members of their election, notify officers of their election to office, keep a roll of members of the club, and other duties as needed.
- **Treasurer** – collect and receive all monies due or belonging to the club, deposit monies in the approved bank, keep books that shall be open at all times to the board for inspection, report to the board at every meeting the condition of the club's finances, and shall be bonded in such amount as the board determines.

Newsletter Editor and Good Cheer Coordinator Needed

We are still looking for a person or two to assume the responsibilities of the newsletter editor and the Good Cheer Coordinator. The current editor and coordinator would like to relinquish these responsibilities by 08/31/2020. Her bowl is full and she needs to empty it. Please contact her via email or by phone if you are interested.

Jobs at the trial

Timer – Will time competitors' runs ~ Good role for volunteers with: some experience and any mobility level.

Gate Steward – Will help manage the traffic flow for the trial, moving competitors up to the search areas, or holding back when needed ~ Good role for volunteers with: any experience and strong mobility.

Judges Steward - Will bring competitors to the line to start their search and remind them of the time limit and on or off leash options for the search. Good role for volunteers with: some experience and strong mobility.

Parking Lot Steward - Will manage having competitors on the line and ready for their turn. **They will also help with making sure competitors park in the correct spots.** Unlike Obedience and Agility trials where competitors can themselves see how things are progressing, this role will be key in keeping the trial moving. Good role for volunteers with: No experience and strong mobility

Cold Box Steward - Will set-up and adjust non odor containers (including buried hides) for the class. Good role for volunteers with: any experience and good mobility.

Hot Box Steward - Will set-up and adjust odor containers (including buried hides) for the class. Clean-up between buried hide competitors may be required, including sweeping, vacuuming, or returning spilled soil or sand to the container. Best if not entered in trial or after competing; will learn a lot about the sport working closely with the judges. Good role for volunteers with: any experience and good mobility.

Score Runner - Will carry batches of 6-8 score sheets from the elements to the scoring table throughout the trial. Good role for volunteers with: any experience and good mobility
