General Announcement

**Key City Kennel Club Equipment**

All equipment and other property of the club, when not in use for an event or under repair, must remain at the training center.

Club property is not to be removed for personal use. If you have any items that belong to the club, please return them to the training center promptly.

Hybrid Meeting in February

The February meeting will be held in-person at the training center, and also virtually. The information needed to attend the KCKC general meeting virtually at 7:25 p.m. on February 21st has been sent previously through email, this information does not change or update from month to month.

Note from incoming President

For 2023 we have a new shift of board members. I look forward to working with them and also want to thank the outgoing board members for their years of service. Things simply will not be the same without you.

I also look forward to serving you, the membership. The new board has a few challenges so please be patient until we come up to speed, but also do not hesitate to push for the improvements that our club needs to make. Also none of the good ideas that many of you have can be realized without your involvement. We need your participation. In short all of us must volunteer our time and resources if this club is to move forward.

Sharon

Chief Ring Steward needed!

The May show needs a new Chief Ring Steward. The Chief Steward gathers volunteers, and coordinates those volunteers to the ring assignments. Due to the fact that they should be available to take over a ring if necessary, they should know how to do inside stewarding. Dawn and Sharon both will give the new Chief Ring Steward lots of help.

Please call Sharon at 507-388-3836 for information.
