PLEASE NOTE DATES FOR THIS YEAR'S TRIAL

Our 2019 KCKC AKC All Breed Agility Trial will be held Friday, August 30th through Sunday, September 1st, 2019 at the Nicollet County Fairgrounds in St. Peter.

Just like our May show, we will need plenty of volunteers: **Please RSVP by AUGUST 25th.**

We will also need your favorite potluck items to add to the meal for all of our hard working volunteers and judges. The club will be providing the main course, but salads, fruits, vegetables, and desserts are needed. Please bring them to the fairgrounds before 10AM on Friday, August 30th. Contact Pat Hooey (507-386-7488) if you have any questions or if you would like to volunteer anything additional for hospitality.

****Don't forget to bring a lawn chair and dress according to the weather. The trial will be held rain or shine**

Scribe – Responsible for watching the judge for the simple hand signals used to represent course faults.

Assistant Scribe – Responsible for recording the run time from the timer and keeping the scribe's sheets in order for the scribe.

Timer – Responsible for starting the dogs when the judge is ready. Uses the electronic timers to time the run and quickly gives the run time to the assistant scribe.

Gate Steward – Responsible for making sure that the exhibitors & their dogs are ready at the starting line. Usually tries to keep 3 dogs ahead to move the trial along quickly. Informs the ring stewards when it is time to change the jump height (usually consists of yelling "last dog this height"), keeps the dogs in catalog order or notifies the assistant scribe of any change in order.

Course Builder – Responsible for moving equipment into & around the ring according to the judge's course plan. The course changes from Novice to Open to Excellent so equipment will need to be added and/or removed. After a course is set, the builders won't be needed until a new course change, so these people would be excellent as equipment setters also.

Equipment Setter/Ring Steward – Responsible for adjusting the equipment during the runs. These people will need to bring chairs to sit on the edge of the ring and are expected to be ready to adjust anything that needs adjusting.

Runner – There are 2 different runners needed: *leash runners & scorecard runners*. The leash runner brings the dog's leash from the starting gate to the finish gate. The scorecard runner takes the finished scorecards from the assistant scribe and brings them to the secretary.

KEY CITY KENNEL CLUB NOSE WORK MATCH

The KCKC Nose Work Match will be held on August 31st, Saturday this year. Please mark your calendars for the following events (dates may change). Join us as you are able, for fun with friends and to help our Trial run smoothly for everyone. **Just like our May show, we will need plenty of volunteers: Please RSVP by AUGUST 25th.**

- AFTER trial last run cleanup.

May Show Report

The Key City Kennel Club conformation, obedience, and rally trial was held the weekend of May 24th, 25th, and 26th. This year we were up 65 entries in conformation, down some in obedience, and up 25 dogs in rally. The Labrador retrievers with their supported entries were down by 6 dogs. The rest of the specialties were up, including the Vizslas which had an entry or over 100 dogs on Friday.

This year our show was dedicated to Jim Olson. Long time club member, show chair, and club president. Jim passed away on June 22, 2018. Considering we had been having extremely cold and rainy weather, he must have been looking down at us and smiling because it has been forever since we have had such perfect weather for our show.

Our Judges for obedience were Karen Anderson, Richard Wood, and Sharon Hodgens-Wood. For conformation we had Larry Berg, Jeffrey Lentsch, Brenda Miramon, Desmond Murphy, James Reynolds, and Robert Shreve. Tony DiNardo was scheduled but cancelled 5 days before the show, thankfully I was able to get a good replacement with Joe Gregory. Three of these judges went over their count limits so I had to hire one more judge and move several assignments around. With all that we only had to give 2 refunds.

THE SEARCH

On Saturday best junior handler was from the open senior class, Hailey Sorrensen with a Rough Collie and reserve was from the masters class, Erin Turman with an Australian Shepherd. On Sunday the best junior handler was again from the open class, Kami West with a Brittany. The Reserve was out of the open junior class, Laci Peterson with a Pembroke Welsh Corgi. We again had over 30 entries in our junior classes.

Pete did the show introduction and dedication to Jim for me. I just didn't think that I would be able to get through it. It was hard enough for Pete to do it. I especially liked the part about keeping a smile on your face, because Jim always did. Remember how Jim used to say, "be nice to the exhibitors even if you don't want to because we are selling our show".

Bruce was worried that with all the rain he wouldn't be able to mow before the tents went up, but with Bobbie Nuytten and Dave Richards helping they got it done.

Patty Made lunches simple since Sue Fleming still wasn't 100%.

Dawn in her second year of chief ring stewarding pulled a "Sharon" and had several of her new friends do ring stewarding. Now only did she have help but had a major in Newfs as well.

As always, Lois makes the grounds look great with the flowers. This year it was spectacular! She is working part time at the green house in St. Peter and was able to get extra flowers. With sunshine, the flags, and all the flowers, the show looked great.

Conformation match entries were down some but that worked out just fine because the main show was running very late due to the fact that we had fewer judges. In fact, I had to find a quick replacement for Larry Berg who was going to be judging the sporting AOH group. It was going to be the last group, but he had a 7:30 flight and would never have made it to the airport on time.

We only had one incident when someone turned in her friend for having 2-week-old puppies in her camper. The AKC Rep, the friend, and I talked to the lady in question. The Rep was extremely good and even though it was a benchable offense, didn't write it up.

Fred did a good job of getting the word out about the show. We had KEYC there again and the gal that did the filming was actually knowledgeable about dogs and shows.

I am going to sign off as Jim does every year. Thanks to everyone for keeping a good attitude. Our judges and exhibitors appreciate it. I say
